Hinesburg Fire Department Information

The Hinesburg Fire Department (HFD) is a combination full time, part time, and paid-on call professional fire department that responds to over 550 calls a year. Our primary coverage area is Hinesburg and St. George. We provide mutual aid to our neighboring towns.

We meet every Wednesday from 18:30-20:30:

- First Wednesday - Fire Training
- Second Wednesday - EMS Training
- Third Wednesday - Business Meeting
- Fourth Wednesday - Fire Training
- Fifth Wednesday – EMS Training

On every second Tuesday of the month, HFD’s cadets participate in a cadet only training from 18:30-20:30.

It is expected that all members and prospective members attend as many meetings and drills as possible. While on probation, all members must be excused for missing meetings and drills by the Chief or Officers of the department.

New applications are reviewed by a minimum of two officers. The officers will interview the candidate. An officer will contact references and process the application, including required background checks.

The officers will approve or disapprove of your application. If your application is approved, you will be assigned to a department mentor. Your mentor will contact you for a mandatory orientation meeting at the start of your three-month trial membership/ During your trial membership, you can participate in drills under the supervision of the officers and members of HFD. This trial membership is designed to let you get a feel for what we do and give us a chance to meet you. You may not respond to alarms during this trial period.

At the conclusion of three months, the officers will review your performance for probationary membership. If you are approved, your probation will last for one full calendar year, during which you are considered an active member of the HFD and may respond to calls. Performance reviews will be conducted after six and twelve months. One year from when you are placed on probationary membership, the officers will meet to discuss permanent membership.

Firefighter Applicants must complete the County Basic Firefighter Course during their probationary period. Emergency Medical Service applicants must complete an EMR (Emergency Medical Responder) or EMT (Emergency Medical Technician) course during their probationary period. The course fees are paid for by the HFD.

Equipment is provided by the HFD and remains property of the HFD.

For additional information, email info@hinesburgfd.org or call (802) 482-2455.

Disclaimer and Signature

Applicants under the age of 18 must have written approval of a parent or guardian.
